

A Note for Your Records:

This letter is to confirm that lienholder interests originally held by Capital Region Federal Credit Union and MiddConn Federal Credit Union are now legally held by Dutch Point Credit Union, following institutional mergers.

- On October 26, 2013, Capital Region Federal Credit Union merged with Dutch Point Credit Union.
- On November 1, 2016, MiddConn Federal Credit Union also merged with and became Dutch Point Credit Union.

As a result of these mergers, all associated lienholder rights and obligations transferred to Dutch Point Credit Union. Please update your records to reflect Dutch Point Credit Union as the official lienholder.

These changes do not affect the terms, status, or validity of any existing lien or agreement.

If you have any questions or need additional verification, feel free to contact us at (860) 563-2617 x5252 or at centralizedservicing@dutchpoint.org.

Sincerely,

Dutch Point Credit Union
